Say your vows at The Maynard. The elegant backdrop of The Chatsworth Suite is fully licenced to host your civil ceremony or partnership. The grand feature ceiling and picturesque windows are the perfect setting to say “we do”.

Registrars incur their own costs and this is something you will need to organise directly with them. You can liaise directly with the Superintendent Registrar in Bakewell 01629 535261.

If you choose to exchange your vows in a church, all arrangements should be made directly with them. From there you will arrive at The Maynard for your drinks reception in the garden or bar area.

CHEERS TO THE HAPPY COUPLE

Following on from your ceremony, it is time to relax and mingle with your guests in the stunning private garden whilst making the most of the picture perfect backdrop. Our main bar is an alternative area to raise those glasses and enjoy canapés with family and friends. Enjoy the rolling valley views or even take a trip to local Padley Gorge for some intimate couple shots.

DINNER IS SERVED

This is probably your first chance to sit down and take it all in. Surrounded by the happy faces of your loved ones, there is no better way to enjoy this time than with an exceptional meal. Our Executive Chef has created dishes with the best fresh, local ingredients that are sustainably sourced to ensure your guests' expectations are exceeded.

DANCE THE NIGHT AWAY

What wedding is complete without a rocking dancefloor and your favourite tunes, either from our in house DJ or a band of your choice? Keep everyone going with one of our evening buffets or let us know if you have any other tasty ideas you would like to discuss.

TIME TO RELAX

The day may have come to an end but your next chapter has just begun, so take off those dancing shoes and take it all in. The stunning Sir Don Bradman Suite has picturesque views over the Peaks, the perfect way to wake up on your first day as a married couple.

With 19 bedrooms, your closest friends and family can also enjoy a great night's sleep before joining you in the restaurant for a delicious breakfast.

WHAT OUR COUPLES HAVE TO SAY

“If you are wanting a wedding with the surroundings of somewhere like the Peak District then make sure you choose the Maynard. The venue is stunning and helped us capture our day exactly how we wanted it. Nothing was too much of an ask and Katie, one of the wedding events managers, is a credit to the Maynard. The venue is extremely lucky to have her. She put us at ease in the build up to the day and made everything seamless during the big day. The food was unreal and we are so lucky to have got married here. With it being a hotel we can now visit here on our anniversaries to celebrate the day and this amazing venue”

Chloe and Louis

“Oh my goodness we had the BEST wedding day ever at The Maynard! Katie was our main wedding planner and coordinator and we couldn’t have managed without her because she was incredible. She was calm, reassuring and nothing was too much trouble. We felt incredibly safe with her! The day ran smoothly and without any issues (apart from the weather but when is that ever guaranteed!) and we could just focus on having the best day whilst Katie and the rest of the lovely staff looked after everything else. The food at the venue was also top notch, all our guests commented on how lovely it was. Finally the rooms were lovely, our guests were very happy with where we stayed and have said what a great venue choice we made, with rooms for all our family to stay who were travelling from all over the UK - and the USA! Wouldn’t hesitate to recommend The Maynard to any upcoming Bride and Groom!”

Sophie and Luke

“I’m struggling to put in to words just how special our wedding here was. We were treated with so much respect and care, from the very first phone call when we were interested in booking, through to the breakfast the day after the wedding. Katie and Lisa are just utterly brilliant- they were so professional and on top of everything in the lead up to the wedding. They were both incredibly kind and passionate about the service they provide. On the day everything ran seamlessly, it was so so beautiful. The layout of the venue was exactly what we wanted, a spacious function room with stunning views of the peaks, a large bar area where guests could chat (when the party was in full swing) and the comfiest rooms that hosted most of the extended family / bride and groom squad. The food was incredibly tasty and plentiful too!! We really loved our stay in the rooms too, they were so luxurious!! On the day and after, people have been contacting us to say just how amazing The Maynard were and what an amazing experience they had. Another special mention to Katie who was with us on the day - she was just ace, she would instinctively know what to say and do in any scenario- coordinating the unpredictable nature of our very young children and liaising with the babysitters. My bridesmaids wanted her in the bridal squad by the end!”
